Dear Readers,

What a momentous year this has proven to be as we, as a school, celebrate our 350th anniversary in the calendar year of 2012. The first half of the 2011/12 academic year was spent planning a yearlong series of events to celebrate our school's birthday, while the second half will be spent making sure that all those events not only run smoothly but are also recorded for our future generations. This is where the Yearbook is such a valuable and important part of the school's life. I hope you enjoy what you see and read within these pages and that this yearbook becomes a "keeper" on family shelves to be enjoyed for many years to come. I would like to thank Cheri Hunter and her team for this and all past yearbooks and to wish Cheri a very happy retirement as this will be her last edition. Thanks to her efforts the yearbook has steadily improved and she has undertaken this often thankless task with unfailing good cheer and determination.

This is an important year for us to make and maintain contacts with former students and teachers as we want to constantly update and expand our database. Please not only enjoy this yearbook but also share it with your friends and encourage anyone with a Warwick Academy connection to get in touch with the school's development office jvickers@warwickacad.bm

I have been immensely interested and intrigued to hear the many stories from our older alumni who attended our opening ceremony. Their insights and memories are an important resource in the history of the school that must be treasured and never forgotten. Please help us to keep those stories coming back to us.

Please enjoy our yearbook.

Dear Readers,

This academic year has flown by. The saying 'time flies when you are having fun' must be true! As well as working hard and striving for excellence, the staff and children in the Primary section of the school have had a great deal of 'fun' and I think that is clear from the wonderful pictures in this section of the Year Book.

Our After School Activities programme provided our older pupils with many experiences. As well as sports such as swimming, football, softball, rugby, and track and field, the children have also been able to experience dance, drama, cookery, gardening, board games, art and a club dedicated to preparing the education display for the Agricultural Exhibition. We continue to run a choir for our Upper Primary children at lunch time and also run 'structured play' activities on the field at lunch times Tuesday to Friday for our Year 2 to Year 6 pupils. Our Year 1pupils have enjoyed their playhouse on the tarmac area and the different activities laid out for them at lunch time. We have taken part in a myriad of sporting competitions arranged by the BSSF and our pupils have also been out there competing in the wider community at events such as The Front Street Mile, Butterfield and Vallis run and the PALS walk to name but a few. This year it has been easy to spot Warwick Academy pupils at these events as they have been sporting the special WA 350th edition Tee- shirt.

Our Lower Primary Christmas Show provided many 'ahh moments' for those in the audience and our Upper Primary production of The Keymaster was, I think it fair to say, a triumph. The staff involved in this production took a big step this year in agreeing to an evening performance and to opening up the production to the wider community - a decision that certainly paid off. The children rose to the challenge, and performing in the evening when it was dark certainly added something special to the experience for them. The choice of the material for this show was perfect for our 350th Anniversary year and the pictures in this book show just how wonderful it looked and how much the cast seem to be enjoying performing. I am thrilled with the progress we are making in the area of Performing Arts.

I hope you enjoy looking through this Year Book. We take our pupils' learning very seriously at Warwick Academy, but we also believe that learning should be fun and encompass more than what is on the written /seen curriculum.

Congratulations on this historic milestone

KPMG in Bermuda extends our sincere congratulations to Warwick Academy as you celebrate your 350th anniversary.

A lot has changed in Bermuda since the academy first opened its doors in 1662, but your commitment to developing and inspiring students to achieve their full potential is not one of them.

For students planning on continuing in this pursuit, exciting educational and career opportunities await at KPMG in Bermuda. We offer:

- Scholarships
- On the job training
- Summer employment
- Paid study leave and travel expenses
- Excellent compensation and benefits

TURN TALENT INTO A PROFESSION

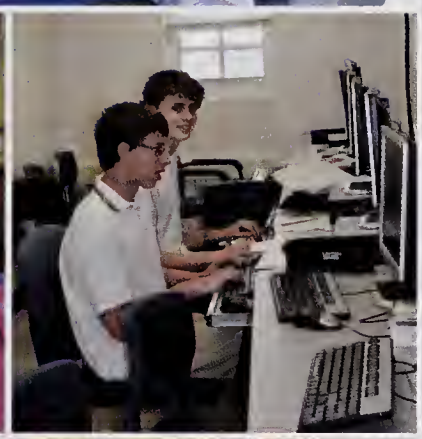
Your ability, passion and even personality are your assets. At BELCO, we value those qualities. Discover how your talent for something can lead you to your potential and expand your career options at BELCO. In fact, we'll help you develop through training and developmental programmes. And be assured that your benefits and compensation are competitive. At BELCO, we believe not only in experience and expertise, but also in the human spirit.

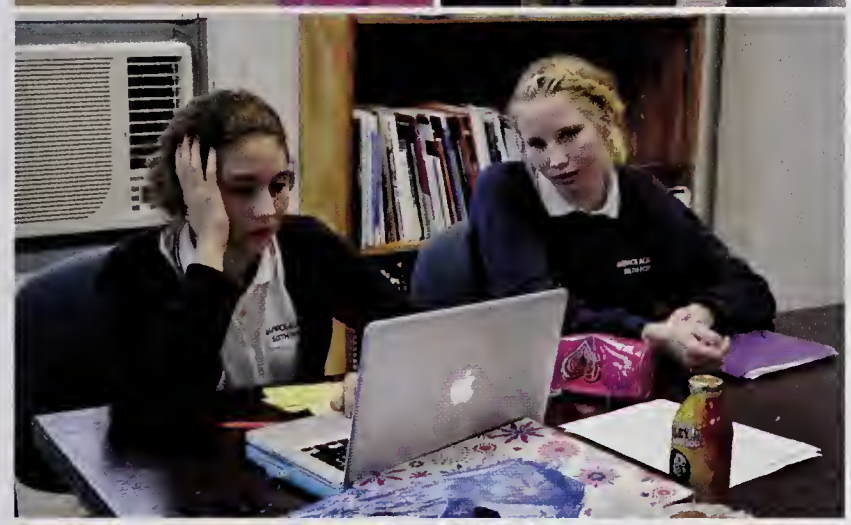
www.belco.bm

Possible positions:
Engine Operator
Engineering Technician
Instrumentation & Control Technician...

BELCO

Power of the human spirit





Sixth Form

Dear Readers,

We cannot believe it is time for us to write a letter for the yearbook - life in Barber Hall is busy and time is rushing by quickly. We are delighted to write our first joint letter as the Head of Sixth Form and Head of Careers, University and Counseling Services for the 2012 yearbook.

The Year 13 students are currently busy focussing on scholarship applications, accepting the many offers from universities and of course starting to review and revise for their I.B. examinations. The revision might seem never ending at the moment but we are certain the rewards at the end will be worth it. They are well rounded individuals who we are sure have made friendships that will last for lifetimes once their journey at Warwick Academy comes to an end. For some these friendships formed 13 years ago when they first joined the school: long may they continue!

Students in Year 12 have settled incredibly well to life in I.B. They are an excellent group of young people who are very supportive of each other and dedicated to their studies. We are pleased with their progress to date and the mature attitude with which they have approached their first year as Sixth Form students. We are confident they will rise to the challenge of being successful Year 13 students.

Being responsible for Barber Hall means we never have a dull moment. We are surrounded by daily laughter and jokes, which are often spurred on by the range of excuses given by students trying to justify why they are procrastinating. We also deal with occasional tears and tantrums which are more often than not solved with a cup of tea. We are kept well up to date with the latest fashions, music and all forms of modern technological marvels - we thank our Sixth Form students for making us seem younger and on trend with this knowledge!

Our thanks go to all I.B. teachers at Warwick Academy who are enthusiastic, hardworking and dedicated to the success of all of our Sixth Form students. Without the support offered from our staff our students would not be as successful as they are. We are very grateful to our I.B. team of tutors and Adela Ruberry for all of her hard work as our I.B. Coordinator. We've had a great year together and we look forward to the next.

Helen Scott & Paula Wight

"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."

Clubs & Activities

uke of Edinburgh Bronze students take part in their assessed trip the weekend of March 16-18th 2012

Bank of Butterfield Student Challenge Team

Front Row (LtoR): Sydney Neal, Ciara Svensen, Nicholas Rowse, Luther De Lange

During the half term break the Business Department entered a team in the Annual Bank of Butterfield Student challenge. The students worked incredibly hard on their financial plan and presentation, and entertained the audience with a professional business proposal on the evening. Warwick finished in 4th place, but this position certainly did not reflect the time, effort and dedication the students put into this competition.

IB Scholarship Winners

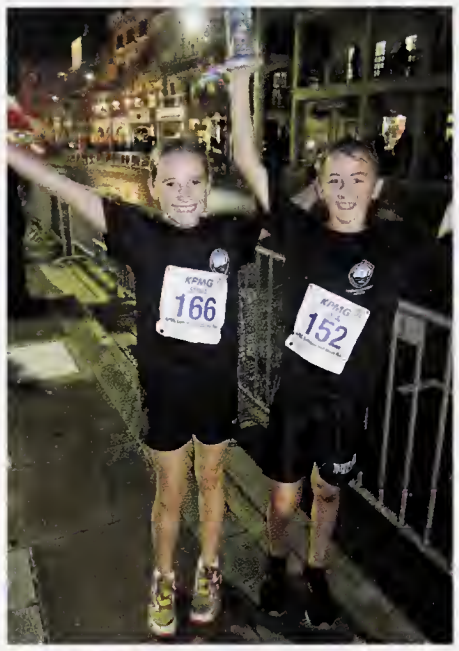
ront Row (LtoR): Samuel Bennett, Evan Hughes, Jasmine Lee, indsay Fisher
econd Row (LtoR): Matthew Blee, Russell Conyers, Tariq Daniels, mma Keane

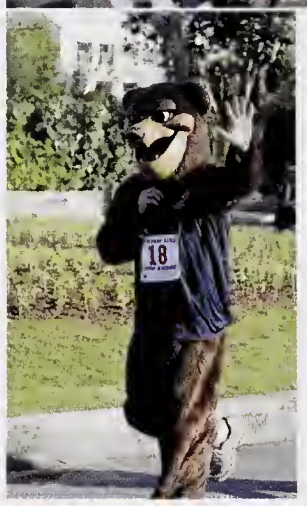
Year 6 Scholarship Winners

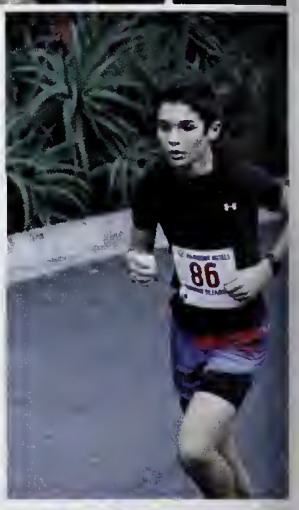
Front Row (L to R): Ms. Ingham, Andrew Budge, Finn Wilson, Mrs. Furbert

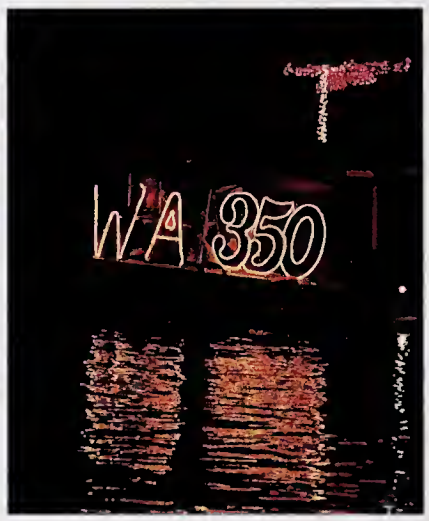
350 Events during the Year.....

Warwick Community out and about, showing their pride in celebrating 350 years, taking part in some of the following events: 3rd place in Annual Sandcastle Competition, 3rd in best Bermuda theme in Boat Parade, "walking the walk" in the Argus walk and having largest Youth group, Front Street Mile, etc..... Warwick Bear has vowed to do 350 km this year; at press time(March 24th, 2012) he was at 141km. Good Luck.









Primary Partner Re Run/Walk 2011

Front Row (LtoR): Tayla Horan, Hope Dragonetti, Riley Jackson, Jessie Bruton, Eilidh Redmond, Logan SoaresSecond Row (LtoR): Miaya Pereira, Brianna Mawer, Anna Francoeur, Holly Bruton, Trinity Wilson, Mika Woods, Gianna WebbeThird Row (LtoR): Ms. Barton, Emma Harvey, Grace Francoeur, Paige Bruton, Mrs. Finnigan

Y5E assembly was on " Who Inspired Me".

Here are some of the Year 5 students and who inspired them: Viggo Jabon – Steve Jobs, Ellie Cordeiro – Milton Hershey, Anna Francoeur – Taylor Swift, Justin Caisey – Dr. Martin, Luther King Jr., Miaya Pereira – Giada de Laurentis, Ethan Roberts – Jackie Chan, Joe Watson – Tiger Woods, Malcolm Hendrickson – Daniel Boone

Y2 show off their 100th day projects that were made at home to celebrate the 100th day of school

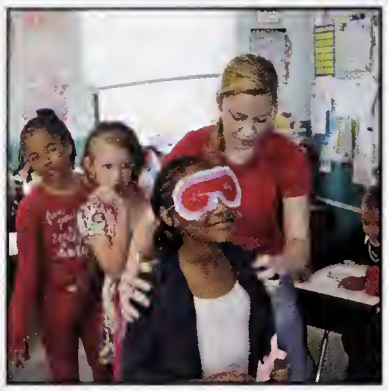
Y6F bread making was a Science lesson studing micro-organisms. Yummy!

Butterfield Garden

A group of IB Y12 students took on a school project of building a butterfly garden by the Science Block pond for their CAS project this year. They have created blueprints, organised materials, fund-raised and researched which plants would be best to attract a variety of butterflies. Through the hard manual labour to the final planting they have remained motivated and enthusiastic, and wow! what a fantastic outcome!

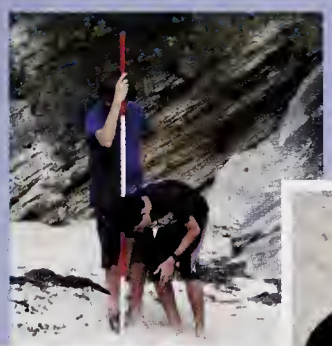
WA Amnesty International Youth Group shines a light on prisoners of conscience during Human Rights Assembly

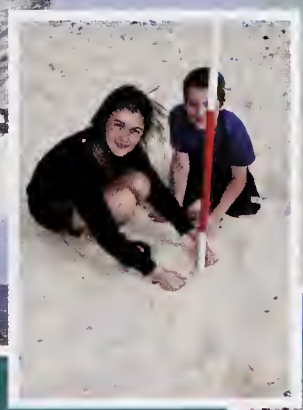
Dec. 9th, 2011, Y8 students highlight the
ght of four prisoners of conscience during a
tern vigil and encourage all to write letters in
pport of these individuals.
nesty Bermuda Chairperson, F. Wolffe and
e-Chair, N. Hollis present the school with a
en of their appreciation for WA continued
pport to Human Rights Education and
eive 25% of the school play proceeds from
Jones, WA Drama Teacher.

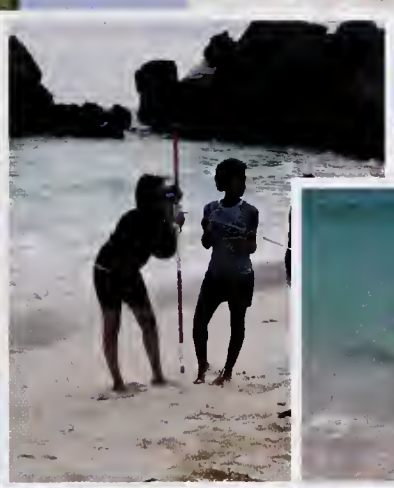


Partying at Warwick
Years 1 and 2 dresssed up after school for a Halloween party. Years 3 & 4 enjoyed a Valentines party after school. Both events raised money for the Student Rescue Fund.

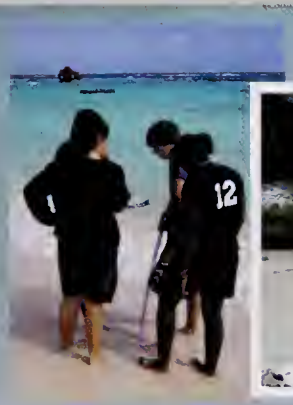
MO-sketeers - 14 male staff grew facial hair for the month of November for cancer awareness charity. At end of month students got to vote for their favourite Mo, and buy fake moustaches.

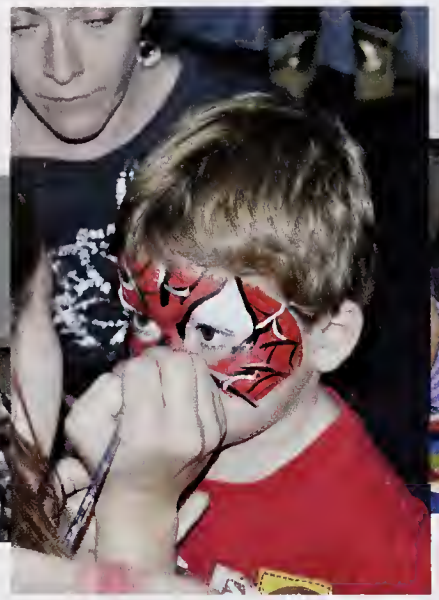




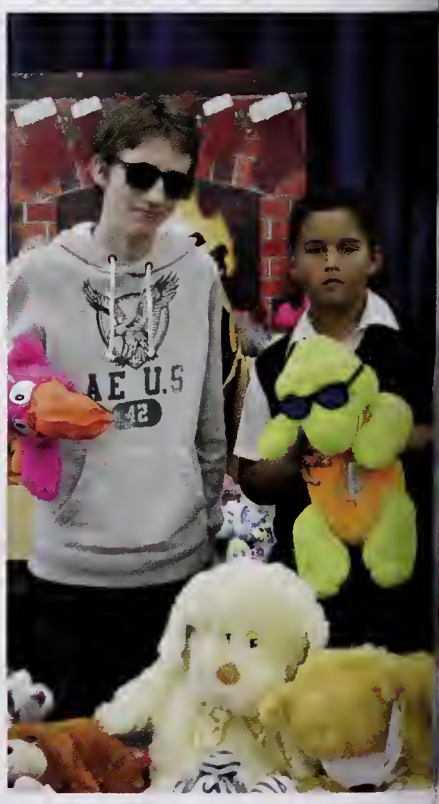


Year 9 Geography class does field work at Warwick Long Bay.

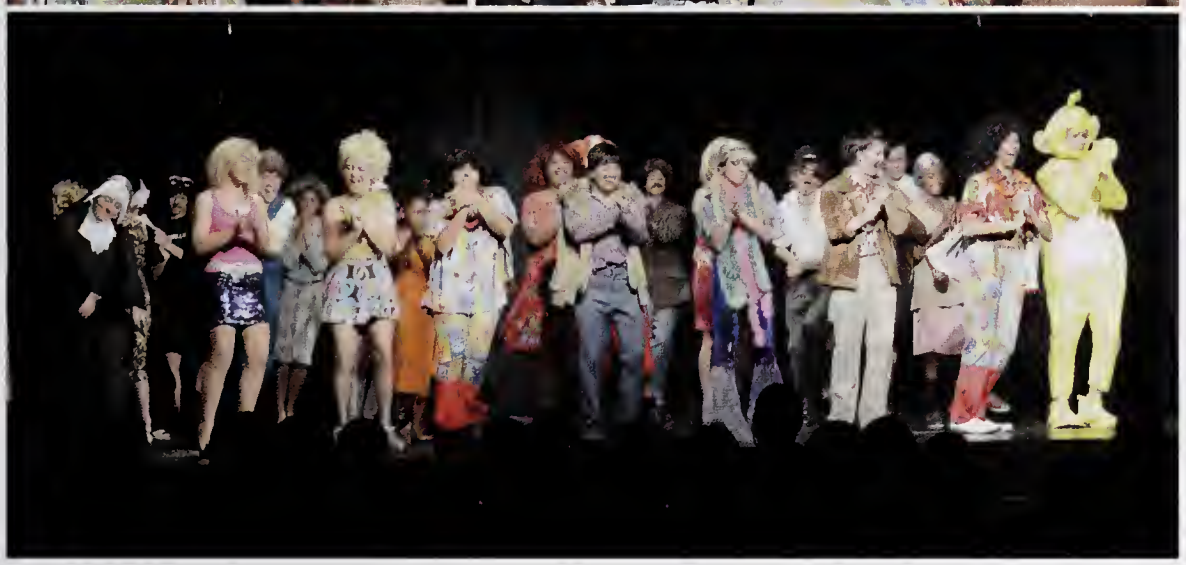




Thank you to the WAPTA Committee & Volunteers for all their Hard work



PTA Events



The Comedy of Errors

'The Comedy of Errors' was Warwick Academy's contribution to 2011's Shakespeare Festival and was a direct response to Mrs. McCorkell's request for a "silly comedy". Happy to oblige (and keen to contrast with 'The Crucible' which was being rehearsed concurrently), Mr. Jones decided to set the entire play on the Costa del Sol in Spain (with a brief diversion to Luton Airport) in the late 1970's when Disco Fever was at its peak. Whilst remaining completely faithful to Shakespeare's text, interesting inclusions included a false-start 'Star Wars' credits sequence (the technicians' medication needed changing), an airplane landing somewhat bumpily at Alicante airport and Teletubbie La-La making a touching cameo appearance in the grand finale played out to Sister Sledge's 'We Are Family'.

A Wriggly Nativity

A Lower Primary Concert

Year 3 Cast

Narrator 1: Zoe Moniz Y3C, Narrator 2: Adam Harding Y3V, Mary: Rhiannon Nester Y3V, Joseph: Dylan Thomas Y3G, Donkey: Ajani Richardson Y3V, Three Wise Men: Trey Whaley Y3V, Ty Pereira Y3C, Jayden Brimmer Y3G, Sheep: Thomas Wilken Y3G, Sam Williamson Y3G, Melachi Simmons Y3G, Shepherds: Maddie MacLeod Y3C, Sophie Bosley Y3C, Ethan Butterfield Y3V, Finn Moseley Y3G, Three Innkeepers: Tayla Horan Y3C, Kent Simmons Y3G, Lexi Tucci Y3G, Townsfolks: Y3

The Crucible

'The Crucible' was staged at the School from 24th-26th November, 2011, and was the first in the cycle of non-musicals which Mr. Jones proposes to stage every two years. As you can see in the photographs, Mr. Jones decided to stage the play in a non-traditional format and it was not clear if it was set in the past, present or possibly even the future. Much of the text was underscored with highly dramatic music and Mr. Jones experimented with the casting of certain characters, for example, changing their sex. A strong cast was headed by Keiran Hamilton as John Proctor, Lily Martin as Elizabeth Proctor, Kori White as Abigail Williams and Anna Dobson as Judge Danforth.

'The Crucible' received great acclaim and confirmed Warwick Academy's reputation for excellence in the Dramatic Arts, both in terms of the outstanding performances of our students but the originality and professionalism reflected in the staging and execution.

The Keymaster

'It was a great play!

The Keymaster was the musical performed by all of Warwick Academy Upper Primary. The play took place on February 8th and 9th, 2012. The play followed along with the 350th anniversary of the school. The teachers chose The Keymaster because it talks about history and because it seemed fit to have a musical about history in such an important year for Warwick Academy.

In The Keymaster a supply teacher comes to teach the children a History lesson and takes them on a journey through different periods of English history. The audience also learned about Warwick Academy in its previous years. We hoped the children in the audience realized that history is far from boring and that what we do today is the history of tomorrow.

The musical incorporated acting; directed by Miss Ingham, dancing; choreographed by Mrs. Cordeiro and Mrs. Finnigan and singing; directed by Mr. Bishop: Every child in Years 4, 5 and 6 was involved, even down to the technical team in the back. The Keymaster was a terrific success! Loads of people were nervous but they gave it their best. This is by far one of the best performances the school has ever done!

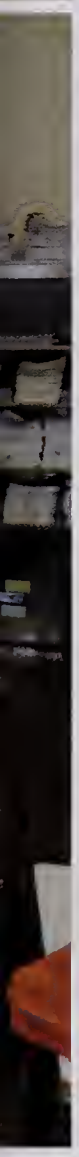
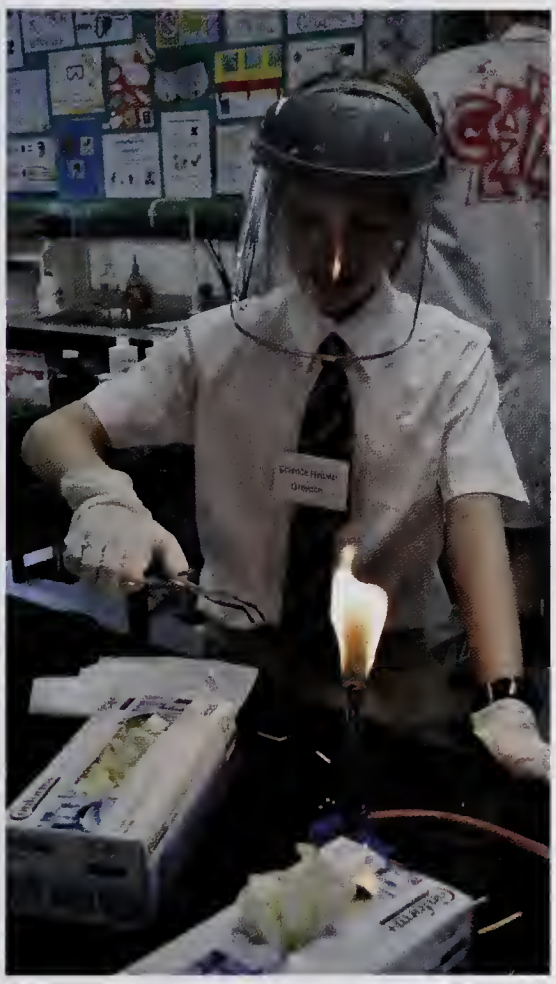
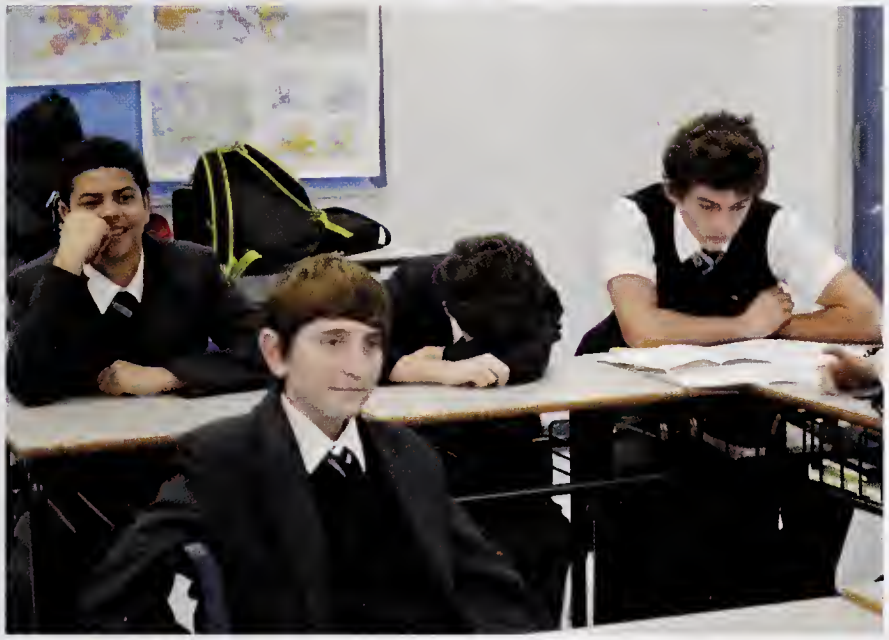
Safe
Science

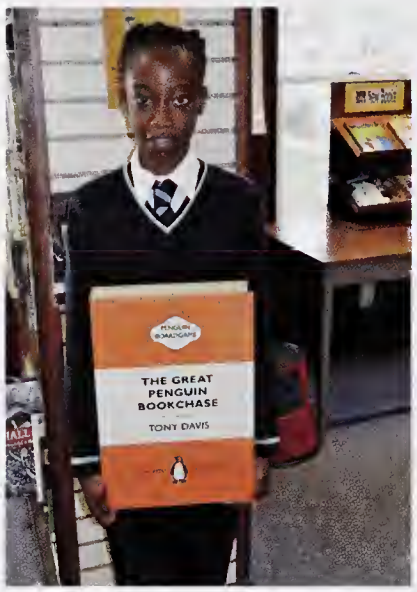


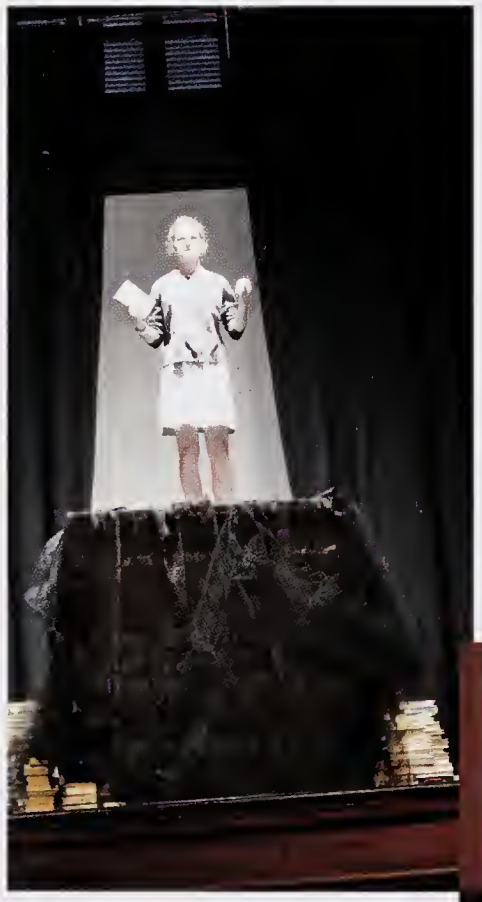


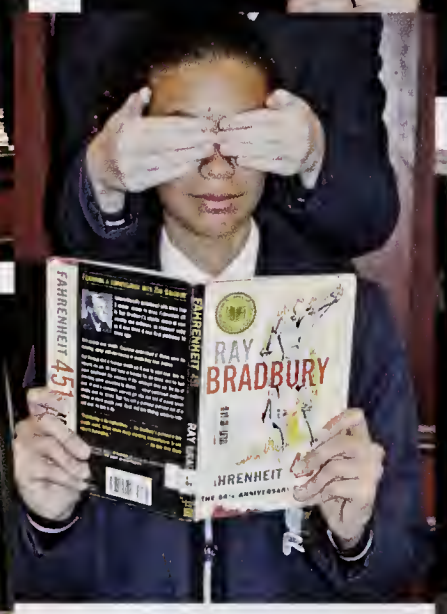


Senior Department

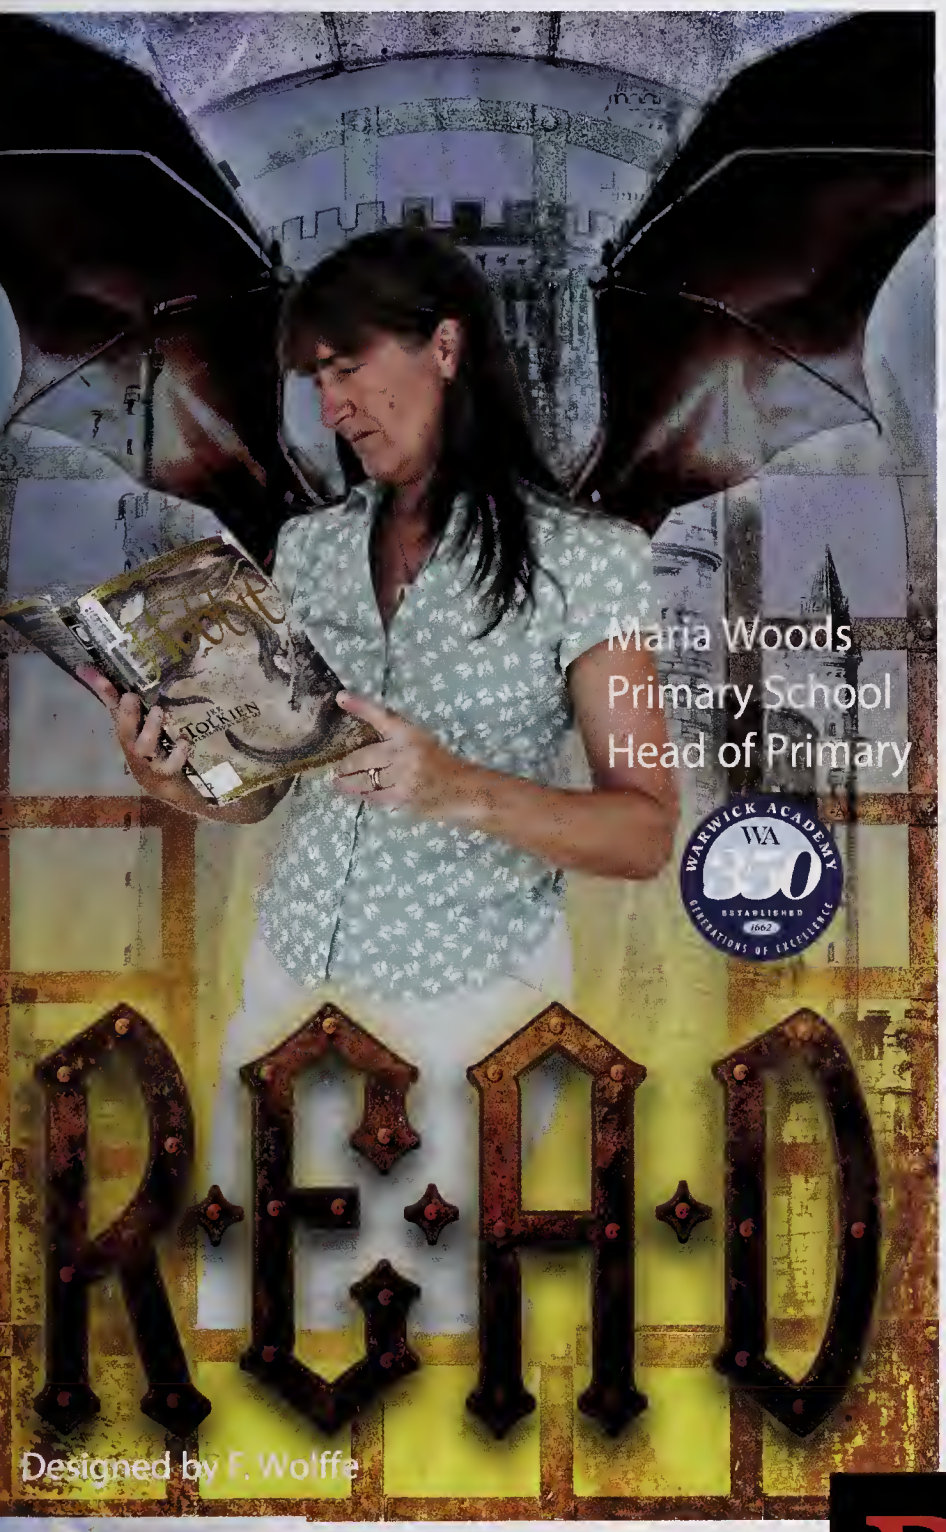
Senior students were invited to reflect on the dangers of censorship and re-discover banned classics during Banned Books Week from February 27th to March 2nd, 2012. The theme was introduced in assembly with a powerful performance of Ray Bradbury's Fahrenheit 451. The 1953 novel depicts a futuristic society which condemns the reading of books and was a perfect preamble to the week activities. Filmed read-aloud sessions in the Library concluded the event and gave students an opportunity to celebrate their freedom to read. Y7 Abigail Jones was presented with a Prize for winning the Banned Books Week Quiz.





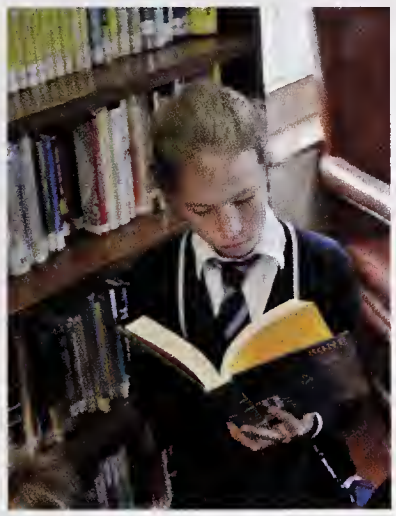


School Library

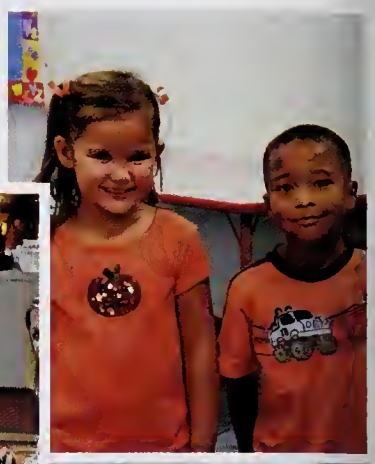


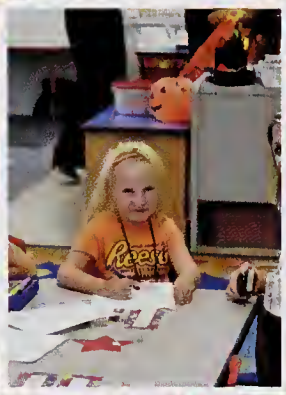
Maria Woods
Primary School
Head of Primary

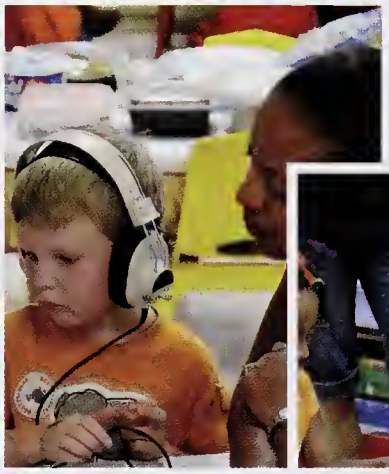
Designed by F. Wolffe

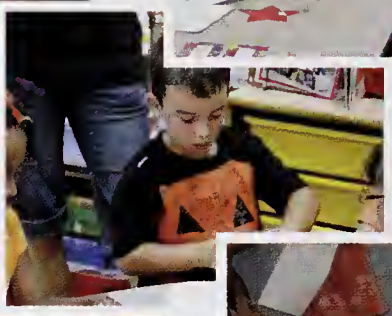


During Book Week 2011, primary teachers showcased their favourite books and were featured on their own READ poster series. Some of them, like Y3 teacher Susan Vallis really got into character. In turn, children enjoyed sharing their favourite read with their friends during a cosy pyjama Friday- an opportunity for the school to raise funds for the Library and Bermuda Reading Clinic. Other Library activities include Upper Primary Library lessons, authors' visits and Y4 Mystery readers whereby parents are invited to read stories to their child's classmates.

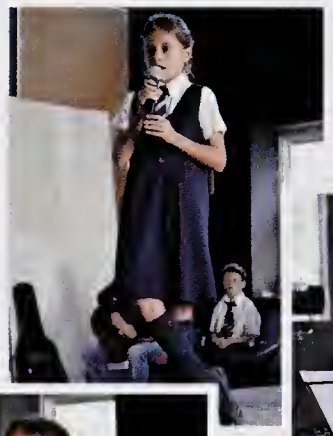


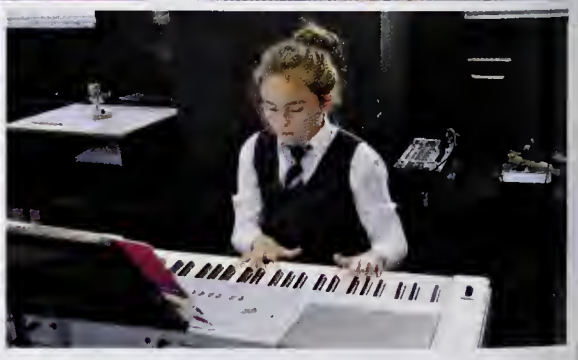






Year 1 Pumpkin Fest. They celebrated, with crafts, games and treats





Upper Primary students braved the stage and entertained fellow students in Upper Primary Assembly. Well done students.

Fourth Row (LtoR): Mr. Bishop, Kristopher Cameron, Jack Levenson, Joe Watson, Maasai Wilson, Adam Perry, Ryan Manders, Malcolm Hendrickson, Josiah Fubler, Giovanni Hollis, Benjamin Pettit

Primary Music

Primary music utilizes the Orff approach as its main mode of instruction within the frame work of the British National Curriculum. Students in the Lower Primary learn music through singing, focused listening, speech chorus, drama, playing on percussion of definite and indefinite pitch and recorders. Students in Upper Primary build on the musical foundation acquired in Lower Primary by focusing on singing in parts, intermediate recorder playing, violin and cello and the Orff instrumentarium (glockenspiels, xylophones and metallophones). Children are encouraged to share their individual musical talent through assemblies, in class sharing and school concerts.

Music Ensembles

The aim of the Warwick Academy Music Department is to give every student the opportunity to make music a meaningful and productive part of their lives. Regardless of chosen profession, it is possible for music to become a place of refuge, and enrichment in one's life. To this end the Music Department strives to educate its students so that they are informed and equipped to make a life time of music making and enjoyment a possibility.

This year the Music Department has hosted its Annual Winter, Spring and Summer concerts with its third Annual Jazz Gala featuring Mr. Vincent Gardner from the Jazz and Lincoln Center Orchestra. School ensembles also regularly perform for the larger community of Bermuda throughout the year.

Practical Art

Art & Design
Design & Technology
Food & Nutrition

"The Practical Arts department consists of Mr. White, Miss Knight and new staff members Mr. Shardlow and Mr. Parker. At KS3, the department operates a carousel where students study Art and Design, Food and Nutrition and Design Technology, for approximately 12 weeks each, per year. Beyond KS3, a variety of GCSE and IB courses are offered.

Department developments include 3 Mac computers that have been purchased to assist students with visual media and, with the aid of Y10 students in particular, the workshops have received a "facelift". Miss Knight continues to offer a well attended and successful Y6 cookery club and Bermuda Gas have donated new cookers. The department continues to take an active role in events outside of the teaching day and has been prominent in several of the 350th celebratory events that Warwick Academy is enjoying."

WHOSE HOUSE had the most:
TEAM SPIRIT ENTHUSIASM PARTICIPATION...
MORGAN HOUSE!!

We started the year strong with a GOLD medal in TEAM SPIRIT & ENTHUSIASM at the first interhouse sports event, which was described by teachers and students as one of the best swim meets in a while. In the end, MORGAN HOUSE took home the SILVER medal. The football/netball/ volleyball showed not to be our strongest events, but we came back with a vengence to win the TRACK AND FIELD. Our victory was due to our high level of PARTICIPATION in each event.We have also striven to live up to House Captain Megan Berry's goal for the year - 5 merits each week. We had many merit winners each week, which just shows how GREAT MORGANITES are. We only trailed 1st place by a few merits. Big thanks to the MORGAN House Leaders, Megan (Cap.), Katrina (Vice Cap.), Willie (Cap.), Kyllid (Vice Cap.), Kirstin Saltus & Kamryn Minors, for all of their support this year!

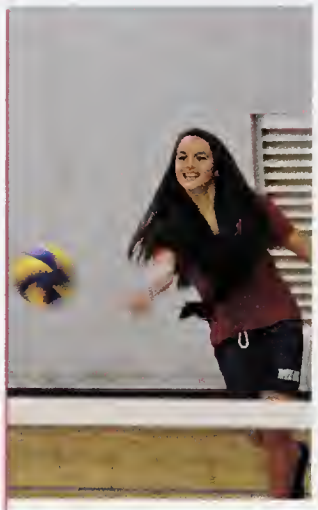
Always remember... WHOSE HOUSE? ....
MORGAN HOUSE!!

Morgan

Throughout the year Patton house has been ably led by house captains James Howard, Mercedes Pringle, Miles Dill, Rajan Simons and House leader Mr Griffiths. After the triumph of winning the overall house cup last year, excessive celebrations perhaps took their toll over the summer, as we fell behind some of the houses in the Swimming Meet. Despite Mr Griffiths "thorpedoeske "performance in the House masters swim, the house failed to fully answer the rally call. But as with any champions, you can never write them off and Trophy winning performances from Maxanne Caines and Maha Carke in the Athletics meet along with other strong performances from our athletes keep us in the race for the house cup. In other Green News; Pattonities around the world were out enjoying themselves in their droves on March 17th, The Warwick Bear has been spotted wearing a Patton Shirt and the NYC alumni will be seeing Tim Tebow in green next year. It's been a great effort by everyone this year and as the Merits keep on rolling in we look to still be in with a shout of retaining our cup.

Patton

The Rhodes house captains are Anna Dobson and Shawn Harvey who are aided by Kaela Boyles and Luther De Lange as deputies. However without Mr. Cunningham, who is the head of Rhodes, we would not be in the great position that we are in today. In the past, Rhodes House has stereotypically been thought of as the non-sporting house, always coming fourth in every event and as a result last place in the running for house cup. However, times are changing and Rhodes is rising out of the ashes. Currently, Rhodes is in first place and has held the title of top merit winning house since the beginning of this academic year. This is mostly due to the fantastic team spirit that runs throughout all genders and ages in the house. We accept that not everyone is a talented athlete; however, by encouraging all to take part we earn participation points and all have fun on the day- we have the right attitude in order to succeed. We are very strong on earning merits which has also largely contributed to our success as well as having some younger gifted athletic students joining our house. Hopefully, as these students move up through the years and Rhodes continues to earn those points, we will be able to maintain the strong lead which we have created. Submitted by: Anna Dobson

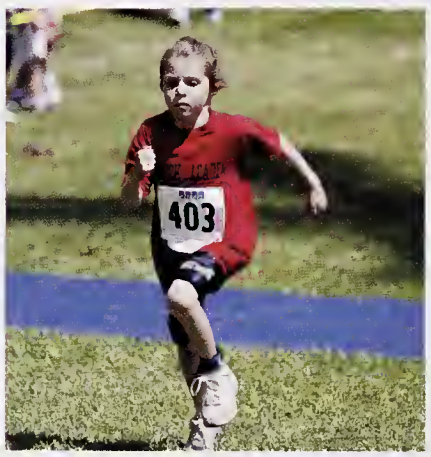


Rhodes

Robertson continues to make its mark within the school. Following a successful start to the year with a win at the WA Swimming Gala, Robertson went on to win top marks for participation in the Track and Field event with many Robertson students being selected to represent the school in the Interschool Track and Field competition. Chas Smith will soon be representing the country in the CARIFTA games at the start of April. His sportsmanship and talent saw him win the High School Champion Boy's award. Chas' performance in the long jump at school was admired by the entire student body, capturing the essence of what a sporting event at WA is all about: participation and fun.Robertson would like to thank its House Captains, Adrian Faries and Tiago Ferreira, as well as the Vice Captains, Vaughn Rowse and Isabella Arnold. All have shown undeniable enthusiasm which has spread across the Robertson Team.

Robertson

House Spirit



Primary House

Upon entering Warwick Academy Primary, students are assigned to one of four House teams, Morgan (yellow), Patton (green), Rhodes (red) or Robertson (blue). There is a fierce weekly House competition for points, which are given out by the teachers in Primary for good work and behaviour. This total is tallied each week and the House Cup is presented to the winning House each Tuesday morning in Primary Assembly. The House Cup bearing the winning team's coloured ribbons is proudly displayed in the Primary Office for the week and the points are displayed on the House Notice Board.

At the start of the academic year each House elects a House Captain and a Vice-Captain from our Year 6 pupils. The House Captains and Vice-Captains are responsible for maintaining their House's display board, appearing in Primary Assembly to receive the House Cup each week and generally leading their House at events.

Throughout the year, there are sporting events which contribute to the House point system. Sporting events include an Inter-House Cross Country event and Swimming Gala for Upper Primary and an Inter-House Sports event for both Upper and Lower Primary in Term 3. House points are awarded for place finishes and at the end of each sporting event points are tallied and the winning House is awarded the cup for the event.

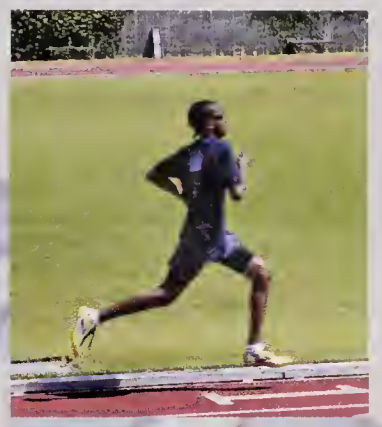
ON YOUR MARK, GET SET, GO!



Warwick Academy Soccer Tour to Florida 2011. On Friday evening we headed straight to Trotter's Park in Maitland, Orlando to face a competent FC America team who we eventually defeated 2-1. Saturday was a busy day as we had a quick visit to the local Walmart store before heading east for an airboat ride through the marshlands of the St.John's River. We then moved on to Titusville for a game against Titusville FC which we comfortably won 6-0 although the Titans had their moments in this game too. Sunday morning saw a visit to Wet'n'Wild, the perfect preparation for an afternoon match. This final match saw WA compete against another FC America team and it was one of the most evenly balanced and entertaining 0-0 draws that I have ever watched. WA capped the day off by winning the penalty shoot out after the game. Monday was a day of rest and a visit to Universal Studios was the main event of the day. Tuesday, we picked the pace up again as a 3 hour paintball battle was quickly followed by a joint training session with FC America. Wednesday involved a day out at Islands of Adventure where the boys tested the rides and roller-coasters on offer. Throw in a couple of rounds of mini-golf a bunch of buffet dinners, a visit to Florida mall plus the annual pilgrimage to McDonalds and the week was over.

I am very happy with the way the trip developed and the general behaviour of the boys. The boys seemed to enjoy themselves (they should in Orlando!) and the soccer wins were a bonus. I would also like to thank Mr. Thorne and Mr. White for their hard work. Mr. Sutherland and Mr. Patchett were also of tremendous help, particularly by flying down a day ahead of the group to organise several things at the Florida end. As parents, you can all be proud of your son's and his friends' involvement in this trip.

Florida Football Trip

Killington 2012

During our February, 2012 break, 27 year 11 students, five staff members and two friends made the short trip to Boston before chartering a bus to Killington, Vermont, for what turned out to be another fabulous experience. With good snow and great company, the skiing was simply phenomenal and the only complaints heard were about studying or the fact that the trip went too fast!

Carrying on the long tradition after Mr. Patchett's retirement, I volunteered to keep this trip running and I couldn't have asked for a better group of students. We skied, we sang songs, we played games; we ate plenty, we fell down, we got up; we laughed, we roared, especially Lily, Emma, Evan, Mr. Shardlow and myself when Mr. Stafford wiped in the terrain park. Actually I don't think Emma knew about it either, as she was involved in the wipe out. We went tubing and in Boston we shopped. The food was great! The company was better and the conditions were special.

One could not have asked for better facilities and some students were treated to their own jacuzzis and hot tubs and all had their own fireplaces and flat screen televisions. With modern kitchens in each unit, the students also practiced their cooking and by the end, they definitely knew how to clean and I was impressed with their cooperation.

Plans have already started for Killington 2013 and who knows, maybe I'll see you there!

Mr. Thorne

Year 11 Ski Trip

On March 30th, 23 students and 3 teachers headed out for the Year 10 Annual Washington Trip. They began their adventure arriving at the Philadelphia airport, boarding a tour bus and visiting the following places: Philadelphia City, Lancaster, Hershey, Gettysburg, Mount Vernon, Baltimore, Arlington and Washington D.C., returning to Bermuda on April 5th. The students had a fantastic time learning about different cultures, taking in all the historic attractions as well as a spot of shopping along the way!

Year 10 Washington Trip

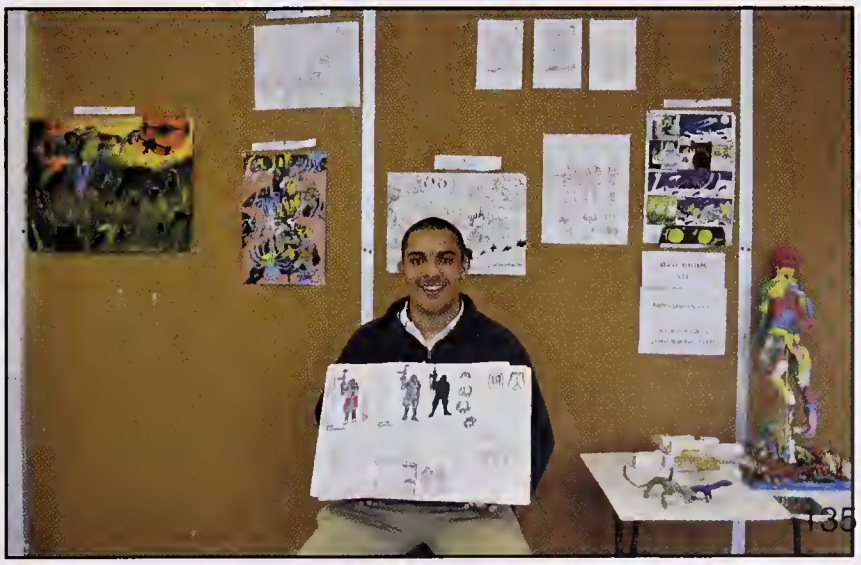
Year 6 Ski Trip to Winter Park, Colorado during the Spring Break

Year 6 Students: Angele Basden, Andrew Budge, Taylor Carrick, Avery Carswell, Connor Charlton, Jay Consolino, Louise Crawford, Joshua De Frais, Dimitri Guglielmucci, Chayah Guishard, Sajan Harvey, Emma Harvey, Cara Mallon, Rory McKittrick, Senoj Mitchell, Connor Phillips, Alex Pilgrim, Casandra Roberts, Georgia Roberts, Eden Robinson, Ella Shanahan-Guay, Niara Simmons, Lauren Smith, Brett Smith, Tayte Stefanuik, Joshua Thorne, Zebedee Wakeley, Gianna Webbe, Jai Whaley, Finn Wilson, Mika Woods.

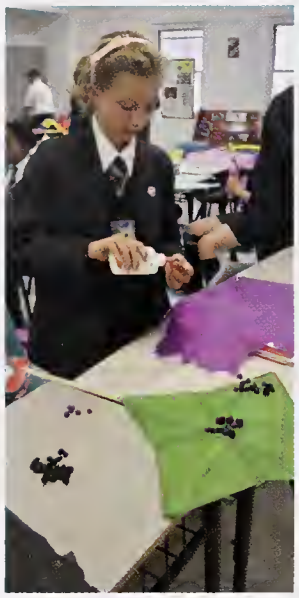
St. Baldricks

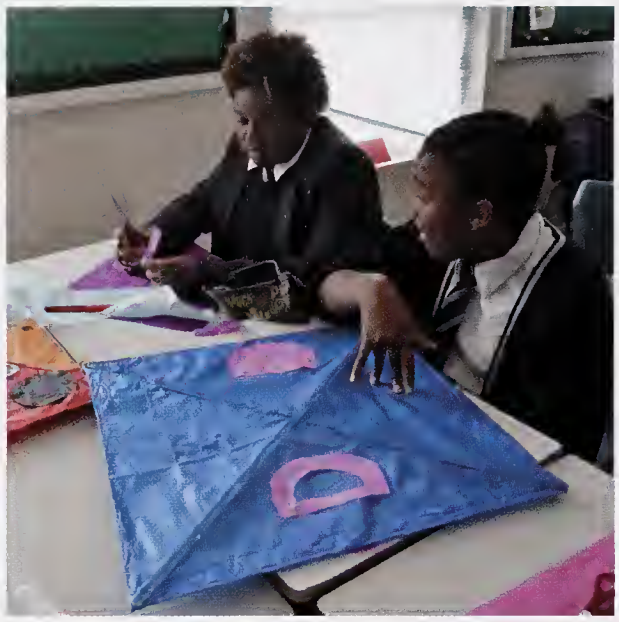
We had a few students participate in the St. Baldricks 2012 fundraising event. Bryce Wojciechowski, Joshua Stephenson, Ellis Cooper, Ty Perreira and David Goonewardene.
Well done, gentlemen.

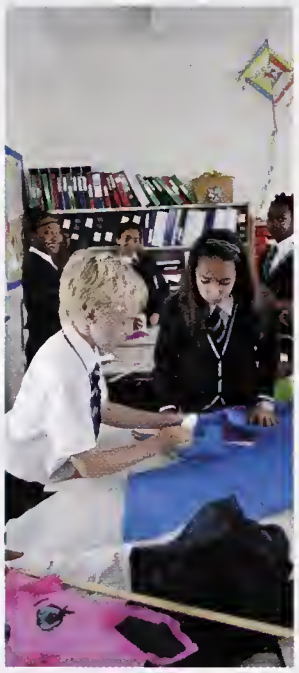
Congratulations to Miles Dill as the winner of the Visual Arts Award at the Bermuda Teen Awards Ceremony.

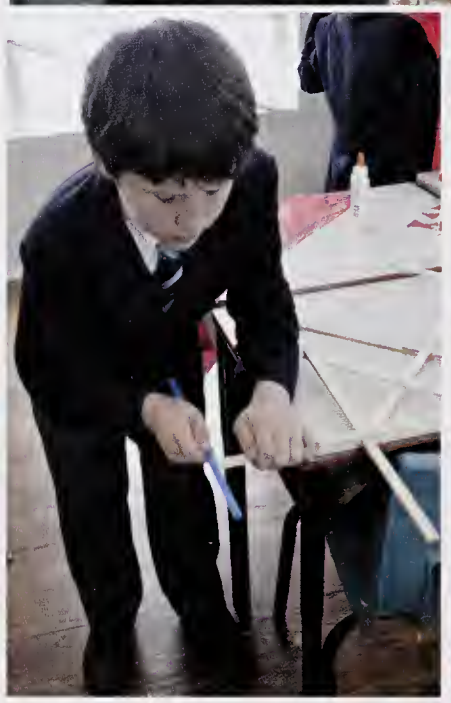


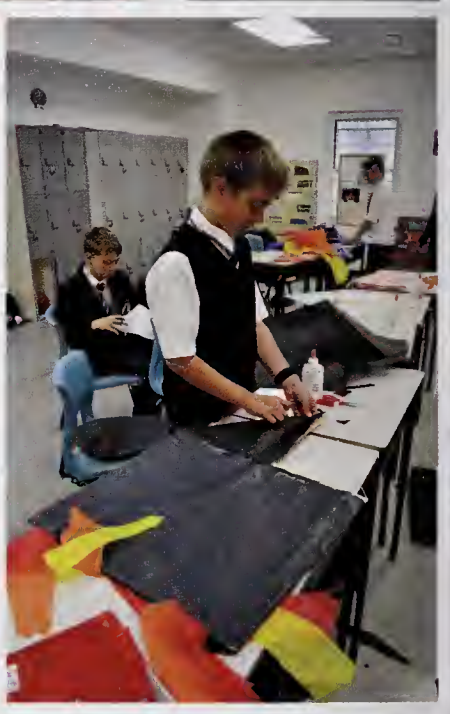
Year 7 Math classes using their shapes and measurements skills to make Bermuda kites











Y10 GCSE math students collected data of various pupils of different houses to compare their hand spans. They were organizing data in grouped frequency tables to determine the average hand span for pupils in each house

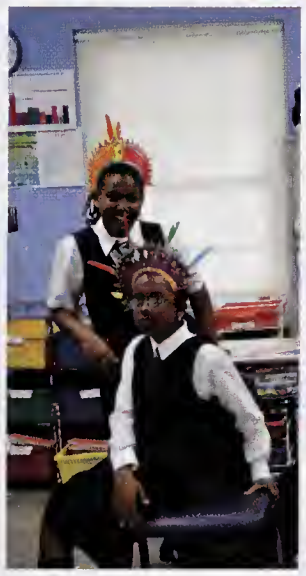
In and Out of the Classroom

Year4H/M visit Spittal Pond

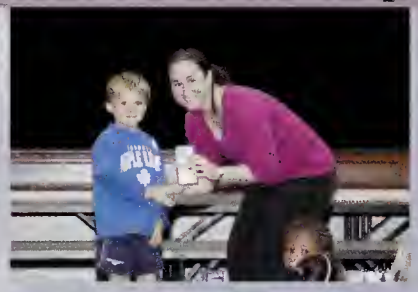
student profiles

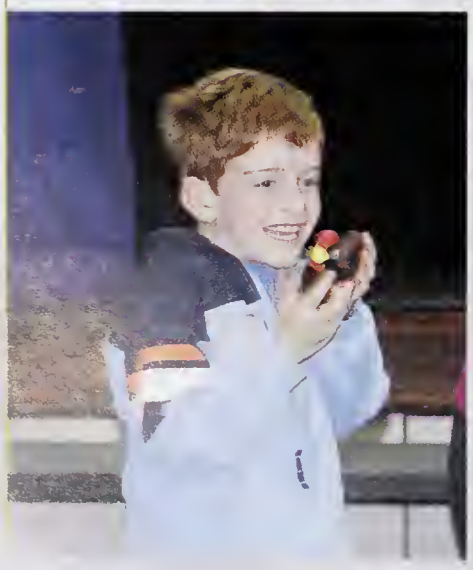
Year 3G students welcome Katarina Thompson to Warwick Academy

Year 5 enjoys an afternoon of learning about Aztec



The Annual Easter competition and Kite flying took place on March 29th. Students brought in cakes, flower arrangements, posters and cards for the competition.





Year 3V enjoying a Fiesta lunch and Year 1J making Pizza. Yummie!
